IdentitySecureSM

Advanced and comprehensive identity theft protection.

IdentitySecure

IdentitySecure has been chosen by The Hartford to help you easily maintain control and stability over one of your most important assets – your identity.

Outsmart identity thieves with advanced technology.

Identity theft strikes millions of Americans each year. Simply checking your credit report is no longer enough to protect you and your good name against the damaging effects of this crime. The Hartford¹ has chosen IdentitySecure to watch over your identity and come to your aid if you ever fall victim to the crime.

IdentitySecure is a comprehensive suite of advanced technologies and services that help safeguard you from identity theft. From real-time, early-warning credit/debit card monitoring, to IdentitySecure's professional fraud support service, IdentitySecure helps to provide you with everything you need to regain your peace of mind.

IdentitySecure offers comprehensive identity theft protection features:

- **Real-Time Fraud Monitoring**
Your Social Security number and up to ten of your credit cards will be monitored around the clock. You'll be notified immediately via e-mail if IdentitySecure finds that your information appears to have been compromised.²
- **Triple-Bureau Credit Reports and Scores**
You'll receive one concise report, detailing findings and credit scores from all three national credit reporting agencies.³
- **Public Records Report**
Receive notification of information appearing in your public records file that will help you detect cases of mistaken identity or identity fraud.²
- **Identity Fraud Resolution Assistance**
In the event you find yourself a victim of fraud, one call will connect you to IdentitySecure's 24/7 Identity Fraud Resolution Service and a personal caseworker who will guide you in taking the appropriate next steps.
